Work Experience

Data Analyst Apprentice - Nashville Software School, 2022

- Full time, intensive, hands-on training to extract, transform and load real-world publicly available data; interpreting them through SQL and Python; and presenting interactive dashboards to tell their story
- Project management and team-leader training with AGILE and Online Kanban boards

Owner - Redstart Painters, LLC., 2018-2021

- I built a team to provide residential and commercial painting. I built my own payroll and timesheet calculators to save on costs

Lead Preceptor – Tennessee Donor Services, 2017-2018

- Created and piloted a new training method and curriculum which reduced the time investment needed for new employees by 75% and allowed them to be productive in as little as half the previous training interval

- Reoriented our training doctrine to be in line with our company's mission statement and connect new employees with our purpose to save and enhance lives

Donation Specialist – Tennessee Donor Services, 2015-2017

- Asked bereaved families to give life-saving tissue transplants and advocated for patient wishes
- Navigated families through the tissue donation process and connected them to our aftercare program
- Approached more families – 781 compared to average 507 - and authorized more donors – 333 compared to average 189 - than anyone on my team for fiscal year 2017

Team Leader – Tennessee Donor Services, 2015

- Led call center shifts responsible for tissue donor screening and approaching families for tissue donation

Triage Coordinator – Tennessee Donor Services, 2014-2015

- Generated and screened incoming tissue donor referrals for medical suitability
- Developed and maintained relationships with every hospital in Tennessee and in four other states

Recovery Coordinator – Tennessee Donor Services, 2008-2010

- Led our tissue recovery teams in the recovery, preparation, and shipping of life-saving transplants

Recovery Technician – Tennessee Donor Services, 2006-2008

- Recovered donated tissue and lab samples in a surgical environment and prepared it for transplant

Recovery Coordinator - Chattanooga Lions Eye Bank, 2011 & 2014

- Determined suitability and surgically recovered corneas for sight giving transplants

Contracts and Pricing Lead - Source Communications, 2010-2011

- Review and respond to government client Requests for Proposal
- Led our price analysis team through the bid preparation process
- Generated sales lead for follow through

Development Supervisor - Wright State University, 2001-2005

- Built and maintained relationships with upwards of 30,000 alumni donors
- Responsible for training and management of 24 fundraising staff
